The industrial clerk apprenticeship is a versatile and challenging apprenticeship in the commercial field, specially tailored to the requirements of industrial companies. During their training, prospective industrial clerks learn a wide range of business and organisational skills in order to work successfully in industry.

The industrial clerk apprenticeship therefore not only provides in-depth commercial knowledge, but also the ability to analyse and optimise operational processes and react flexibly to changes. Thanks to the practical training, industrial clerks are well equipped to embark on a successful career in various branches of industry after completing their apprenticeship.

Your strengths:

- Exact and structured way of working
- Organisational talent
- Team player

Apprenticeship period: 3 years

Apprentice remuneration:

1. Apprenticeship year: € 1,000 gross per month, 2nd year: € 1,182.65 gross per month, 3rd year: € 1,546.13 gross per month, 4th year: € 2,028.95 gross per month
