Your tasks:

- Construction (assembly) and maintenance of mobile room systems in the factory or on international construction sites
- Approx. 70% work in the factory in St. Georgen near Grieskirchen, approx. 30% work abroad (depending on the order, e.g. Germany, the Czech Republic, the Netherlands, Singapore, Spain, Australia, etc.). Germany, Czech Republic, Netherlands, Singapore, Spain, Australia, etc.).)
- Support customers with the mechanical and electrical installation of our customised container systems
- Interface with the customer's assembly team

Your profile:

- Completed technical vocational training or several years of experience in electrical–or plant construction
- Professional experience as an installer, preferably international, an advantage
- Technical understanding and manual dexterity
- Willingness to travel
- Reading circuit diagrams
- Reliable and independent working style
- Team spirit
- Ensuring customer satisfaction through high quality awareness
- Good knowledge of English, other foreign languages an advantage
- B driving licence

You can expect:

- An interesting working environment in a motivated team
- State-of-the-art work equipment
- Numerous special benefits (fruit, doctor, gym allowance, ...).
- Development opportunities in an industrial company with all the advantages of a family business
- Canteen with regional delicacies

For this position, a gross salary from 3.300,- Euro (plus attractive allowances for assembly abroad). We are happy to overpay depending on your professional experience and qualifications.
