VIEW JOB ONLINE

Your responsibilities:

- Assisting with the establishment and further development of the Incoming Goods Inspection department for purchased parts
- Carrying out incoming goods, outgoing goods and in-process inspections in accordance with internal and customer-specific specifications
- Drawing up work instructions, documentation and inspection reports
- Operating measuring equipment and optimising inspection methods
- Handling complaints, non-conformance analyses and initial sampling
- Working closely with Production, Warehouse and Purchasing
- Carrying out acceptance inspections at suppliers' premises

Your profile:

- Completed technical training (e.g. HTL, apprenticeship in the metalworking sector)
- Professional experience in steel construction (quality assurance, production or technical testing) required
- Skills in reading technical drawings, measurement technology and standard testing procedures
- Knowledge of quality methods or non-destructive testing would be an advantage
- Quality-conscious, precise and structured approach to work
- Category B driving licence and willingness to travel to Nußbach (Upper Austria)
- Proficiency in MS Office and ERP systems
- Very good written and spoken German and good written and spoken English

What you can expect:

- The opportunity (following a training period of several weeks in St. Georgen near Grieskirchen and at the current external site in the Kirchdorf/Krems) to play an active role in setting up the site in Ort im Innkreis, to contribute your own ideas and to jointly develop processes
- Varied projects within a motivated team
- Modern equipment and well-equipped production halls
- Numerous additional benefits: fruit, company doctor, gym subsidy, ...

Does this job appeal to you? Then apply now – we look forward to getting to know you!

A gross salary of 3,500 euros is offered for this full-time position. We are happy to offer a higher salary depending on your professional experience and qualifications.
