Your responsibilities:

- Qualification and development of suppliers for purchased parts and subcontracted welded assemblies
- Carrying out supplier audits and evaluating supplier performance
- Initial sample inspections, as well as inspections and acceptance tests carried out directly at the supplier's premises
- Identifying quality deviations, carrying out root cause analyses and devising solutions
- Handling complaints relating to purchased parts
- Contributing to process optimisation and quality assurance at the supplier's premises
- Creating templates for component-specific quality documentation (dimension reports, test plans)
- Supporting the establishment of the 'Supplier Quality Engineering' department and an expanded supplier portfolio
- Collaborating with various departments (Production, Warehouse, Purchasing and Quality Assurance)

Your profile:

- Completed technical training (e.g. HTL, FH, apprenticeship in the metalworking sector)
- Several years' professional experience in supplier management, quality assurance or steel construction
- Good knowledge of reading technical drawings, metrology and standard testing procedures
- Substantial experience with quality methods (e.g. FMEA)
- Completed auditor training
- Knowledge of or training in non-destructive testing and welding technology (IWE) would be an advantage
- A structured, precise approach to work, combined with a confident and persuasive manner
- Strong communication skills when dealing with internal and external partners
- Proficiency in MS Office and ERP systems
- Very good written and spoken German and good written and spoken English
- Willingness to travel approx. 30% of the time

What you can expect:

- Varied projects within a motivated team
- Modern equipment and well-equipped production halls
- Numerous additional benefits: Fruit, company doctor, gym subsidy, ...
- Opportunities for development within a successful industrial company with a family-like corporate culture
- Canteen serving regional specialities

Does this job appeal to you? Then apply now – we look forward to getting to know you!
