As a **media specialist specialising in graphics and print**, everything revolves around design and colours. Your tasks include, for example, creating graphic designs for print media such as posters or brochures. You will work with various departments and implement content according to corporate design specifications.

Your course content at a glance:

- Designing print media such as flyers, posters, brochures or advertisements
- Working with graphics programmes (e.g. layout, image editing, typography)
- Designing print media such as flyers, posters, brochures or advertisements
- . layout, image editing, typography)
- Implementing ideas according to specifications and corporate design guidelines
- Preparing print data for the print shop
- Paying attention to quality, colours and details

You will gain an insight into practical work from the very beginning and learn to take on responsibility step by step.

Your strengths:

- Design ability
- Creativity / sense of aesthetics
- Eye for detail

You can expect:

- An interesting working environment in a motivated team
- Modern work equipment and laundered work clothes
- Numerous special benefits (canteen, fruit, doctor, gym allowance, ...)
- Development opportunities in an industrial company with all the advantages of a family business
- Convenient public transport including public transport ticket
- . Public transport ticket
- Team activities and workshops
- Support with learning
- Possibility of an apprenticeship with Matura
