Want to work in Austria and experience the USA at the same time? Then you've come to the right place!

Your tasks:

- Performing electrical installations in technical containers at the plant in Austria and several times a year for a few weeks in the USA
- Assembling cable ducts and installing cables and lines for the power supply
- Distributing circuits in the container system as well as wiring and installation
- Cabling switchgear
- Testing the systems for function and safety standards

Your profile:

- Completed technical vocational training in the electrical field (preferably as an electrician)
- Sure reading of circuit diagrams and good technical understanding
- Independent working style combined with the ability to work in a team
- Willingness to travel for recurring international assembly assignments lasting several weeks (focus on the USA, but other countries also possible)
- Very good knowledge of German and good written and spoken English

You can expect:

- Varied projects in a motivated team
- Modern work equipment and well-equipped production halls
- Numerous additional benefits: Fruit, company doctor, gym allowance, ...
- Development opportunities in a successful industrial company with a familiar corporate culture
- Canteen with regional delicacies

Do you like this job? Then apply now - we look forward to getting to know you!

For this position, a gross salary from €3,300 (plus attractive bonuses for international assignments) is envisaged on a full-time basis. We are happy to overpay depending on your professional experience and qualifications.
