Your tasks:

- Responsibility for the smooth running of internal and external logistics processes
- Involvement in the development and support of external logistics partners
- Control and monitoring of outsourcing processes in the area of logistics and warehouse management
- Various tasks in the area of warehousing and inventory management
- Review of demand quantities processes in the area of logistics and warehouse management
- Various tasks in the area of warehouse management and inventory management
- Checking the plausibility of required quantities and making adjustments in the event of deviations
- Ensuring compliance with company and product-specific storage regulations for outsourced processes
- Implementing suitable measures in the event of incorrect deliveries in collaboration with quality assurance, including returns processing
- Initiating measures in the event of stock discrepancies and ongoing optimisation of external logistics processes

Your profile:

- Successfully completed training (foreman, Matura, degree), ideally in the field of logistics
- Multi-year professional experience in operational logistics, preferably with experience in managing external logistics service providers or in outsourcing projects
- Good understanding of business management, ecological and entrepreneurial interrelationships as well as internal and external flows of goods
- Cost-conscious, resource-saving and process-orientated action
- Independent and structured way of working, complemented by teamwork and strong communication skills
- Safe scope with MS Office and ERP systems (Sage B7 an advantage) as well as experience in dealing with identification systems (Pro.File)
- Very good written and spoken German and good English

You can expect:

- Varied projects in a motivated team
- Modern work equipment and well-equipped production halls
- Numerous additional benefits: Fruit, company doctor, gym allowance, ...
- Development opportunities in a successful industrial company with a familiar corporate culture
- Canteen with regional delicacies
- The opportunity to actively shape the future of the company
