Want to work in Austria and experience the USA at the same time? Then you've come to the right place!

To strengthen our team in the field of technical container systems, we are looking for qualified application technicians (m/f/d) to work on international construction sites and to support assembly kit deliveries.

Your tasks:

- Supporting and assisting our customers in the construction and assembly of technical modules on construction sites / on-site assembly operations
- Training and instructing customers and assembly teams on the construction site
- Ensuring a documented, on-time process in accordance with the scope of delivery and the assembly instructions
- According to the assembly instructions. Scope of delivery according to assembly instructions
- Interface between construction site, customers and internal departments
- Documentation of assignments and feedback to internal departments

Your profile:

- Completed technical training (e.g. apprenticeship, HTL, etc.).
- Several years of professional experience as a (senior) fitter, ideally in assembly abroad
- Manual dexterity and good technical understanding,
- Willingness to travel abroad regularly (international construction site assignments mainly USA)
- Confident handling of MS Office
- Experience in reading and understanding CAD plans or technical drawings
- . technical drawings
- Independent and structured way of working as well as team player and organisational strength
- Communication talent and strong customer orientation
- Very good written and spoken German and English

You can expect:

- Multi-month induction phase at our plant in St. Georgen bei Grieskirchen
- Varied projects in a motivated team
- Modern work equipment and well-equipped production halls
- Numerous additional benefits: Fruit, company doctor, gym allowance, ...
- Development opportunities in a successful industrial company with a familiar corporate culture
- Canteen with regional delicacies (at the Stritzing site)

Do you like this job? Then apply now - we look forward to getting to know you!

For this position, a gross salary of 3,500 euros (plus attractive bonuses for
