#### **Your tasks:**

- Overall responsibility for the processes at our site in Ort im Innkreis: incoming goods, warehousing, order picking, packaging, shipping and simple assembly processes
- Ensuring efficient processes while taking quality, time and costs into account
- Daily management of day-to-day operations including resource and shift planning
- Leading, motivating and further developing teams
- Collaborating closely with internal interfaces (sales, purchasing, QA, planning, technology) and external partners (suppliers, suppliers and partners). Resource and shift planning
- Leading, motivating and developing the teams
- Collaborating closely with internal interfaces (sales, purchasing, QA, planning, technology) and external partners (suppliers, freight forwarders, packers)
- Implementing lean and shop floor management
- Responsibility for safety and quality standards at the site
- Optimising processes, processes, inventories, areas and resources
- Involvement in the implementation of the new location in cooperation with the project management and the specialist departments
- Ensuring compliance with laws and internal guidelines (e.g.B. Occupational safety, environmental law, health protection, fire protection)

#### **Your profile:**

- Completed technical or business management training (HTL, FH, degree), ideally in the field of logistics in a manufacturing environment
- Multi-year management experience in a shop floor environment
- Experience with assembly or manufacturing processes is an advantage
- Experience in the implementation of holistic logistics concepts is an advantage
- Entrepreneurial way of thinking and acting
- Experience in the application of lean methods and shop floor management
- Sure handling of MS Office, ERP systems and other logistics-related software
- Very good written and spoken German and English

#### **You can expect:**

- The opportunity (after an initial training period of several weeks in St. Georgen bei Grieskirchen and the current external location in the Kirchdorf/Krems area) to actively help shape the development of the location in Ort im Innkreis, contribute your own ideas and develop processes together
- Varied projects in a motivated team
- Modern work equipment and well-equipped production halls
- Numerous additional benefits: Fruit, company doctor, gym allowance, ...
- Development opportunities in a successful industrial company with a familiar corporate culture
