As part of a major international project, a new logistics site is being built in Ort im Innkreis to supply our assembly site in the USA. During this set-up phase, you will have the opportunity to actively help shape processes and take on responsibility right from the start.

The site will play a central role along the entire supply chain: from goods receipt, storage and order picking to shipping preparation, you will work with the team to ensure a smooth flow of materials. The final assembly of the technology containers then takes place at the US site.

Your tasks:

- Professional and disciplinary management of the warehouse team in logistics
- Ensuring smooth daily operations (coordination of orders, packaging, stowage, loading, delivery documents)
- Collaborating closely with the interfaces (production, QA, AV, transport, etc.) for optimal material flow control
-) for optimal material flow control
- Responsibility for the control and further development of processes in shipping
- Further development of the team and existing structures and processes
- Implementation of lean methods and shop floor management as well as compliance with safety guidelines

Your profile:

- Successfully completed training (apprenticeship, master craftsman, Matura), ideally in the field of logistics
- First management experience in a shop floor environment
- In-depth expertise in the logistics of a manufacturing company (e.g. in the field of logistics).B. Warehouse logistics, packaging, transport)
- Hands-on mentality combined with a structured and proactive way of working
- Process-oriented way of thinking and acting
- Experience and interest in the application of lean methods and digitalisation
- Confident handling of MS Office, ERP systems and logistics-relevant software
- Very good written and spoken German and English

You can expect:

- The opportunity (after an initial training period of several weeks in St. Georgen bei Grieskirchen and the current external location in the Kirchdorf/Krems area) to actively help shape the development of the location in Ort im Innkreis, contribute your own ideas and develop processes together
- Modern work equipment and well-equipped production halls
- Numerous additional benefits: Fruit, company doctor, gym allowance, ...
