Your tasks:

- Professional and disciplinary management of the incoming goods team in logistics
- Ensuring smooth daily operations (coordination of delivery, unloading, acceptance of goods, complaints, storage)
- Collaborating closely with the interfaces (purchasing, QA, AV, etc.) to optimise material flow control
- Responsibility for controlling and further developing processes in incoming goods
- Further developing the team and existing structures
-) for optimal material flow control
- Responsibility for the control and further development of processes in incoming goods
- Further development of the team and existing structures and processes
- Implementation of lean methods and shop floor management as well as compliance with safety guidelines

Your profile:

- Successfully completed training (apprenticeship, master craftsman, Matura), ideally in the field of logistics
- First management experience in a shop floor environment
- In-depth expertise in the logistics of a manufacturing company (e.g. in the field of logistics).B. warehouse logistics, production supply, material flow)
- Hands-on mentality combined with a structured and proactive way of working
- Process-oriented way of thinking and acting
- Experience and interest in the application of lean methods and digitalisation
- Sure handling of MS Office, ERP systems and logistics-relevant software
- Very good written and spoken German and English

You can expect:

- The opportunity (after an initial training phase of several weeks in St. Georgen bei Grieskirchen and the current external location in the Kirchdorf/Krems area) to actively help shape the development of the location in Ort im Innkreis, contribute your own ideas and develop processes together
- Modern work equipment and well-equipped production halls
- Numerous additional benefits: Fruit, company doctor, gym allowance, ...
- Development opportunities in a successful industrial company with a familiar corporate culture

Do you like this job? Then apply now - we look forward to getting to know you!

For this position, a gross salary of 3,800 euros or more is offered on a full-time basis. We are happy to overpay depending on your professional

experience and qualifications.
