Your responsibilities:

- Design, development and ongoing refinement of our digital learning programmes
- Creation and production of modern e-learning content (e.g. videos, interactive modules and learning pathways)
- Developing a sustainable e-learning strategy and expanding our digital training portfolio
- Administering, optimising and further developing our learning management platform (LMS)
- Collaboration with specialist departments to analyse training needs and develop tailored learning concepts
- Ensuring modern pedagogical standards and the use of innovative learning methods and digital learning technologies (e.g. AI)

Your profile:

- Completed vocational training or a degree in human resources development, education, HR, educational sciences or a comparable field
- Initial professional experience in the field of HR development, e-learning or continuing professional development
- Experience in using learning management systems (LMS) and in creating digital learning content
- A flair for teaching and an interest in modern learning formats, digital media and AI-supported learning technologies
- A structured, independent and solution-oriented approach to work
- Creativity and a passion for designing learning programmes tailored to specific target groups
- Strong communication skills and a passion for collaborating with different departments
- Very good written and spoken German and good written and spoken English

What you can expect:

- A variety of projects within a motivated team
- Modern equipment and well-equipped production facilities
- Numerous additional benefits: Fruit, company doctor, gym subsidy, ...
- Opportunities for development within a successful industrial company with a family-like corporate culture
- Canteen serving regional specialities
- Option to work from home (max. 1.5 days per week)
- The chance to play an active role in shaping the company's future

Does this job appeal to you? Then apply now – we look forward to getting to know you!

For this full-time position, a gross salary starting at 3,400 euros is offered. We are happy to offer a higher salary depending on your professional experience and qualifications.
