Your responsibilities:

- First point of contact for our staff regarding IT enquiries and technical issues (1st & 2nd level support)
- Management and administration of IT workstations, user accounts, and hardware and software
- Support with fault analysis and troubleshooting in the areas of Windows, Microsoft 365 and networking
- Management and further development of selected business applications
- Collaboration on IT projects and the roll-out of new systems and applications
- Creation and maintenance of documentation and user guides

Your profile:

- Completed IT training or equivalent technical training
- Good knowledge of Windows, Microsoft 365 and IT infrastructures
- Technical understanding and an interest in applications and digital solutions
- An independent, structured and solution-oriented approach to work
- A service-oriented mindset, strong communication skills and team spirit
- Good written and spoken German and English

What you can expect:

- An interesting working environment within a motivated team
- State-of-the-art work equipment
- Numerous additional benefits (canteen, fruit, medical cover, gym subsidy, ...)
- Opportunities for professional development within an industrial company offering all the benefits of a family-run business
- A canteen serving regional specialties

A gross salary of 3,300 euros is offered for this full-time position. We are happy to offer a higher salary depending on your professional experience and qualifications.
