Through proactive maintenance, you ensure that faults and breakdowns do not occur in the first place. Should a system or machine ever come to a standstill, you will already be on site to rectify the fault. Your efforts ensure that operations run smoothly throughout the entire site.

Your responsibilities:

- Carrying out maintenance and repair work on vehicles and plant components (e.g. maintenance and servicing of forklift trucks)
- Troubleshooting and fault analysis in the event of plant malfunctions (particularly paint shops)
- Carrying out safety inspections on plant and equipment, and recording and documenting maintenance and repair work
- Erecting and dismantling heavy-duty racking as well as internal structures and fixtures
- Assisting with the organisation and implementation of periodic machine inspections and safety regulations
- Carrying out general repairs as part of the company's day-to-day operations

Your profile:

- Completed technical training (apprenticeship, technical college or HTL) as a motor vehicle technician, mechanical or industrial fitter, or plant fitter
- Initial professional experience – ideally in the maintenance of a production facility
- Good knowledge of vehicle mechanics or, ideally, agricultural machinery
- Technical understanding of all building services
- Good command of German – this is our team language
- A flexible, reliable and independent personality combined with a solution-oriented approach to working in a team

What you can expect:

- Varied projects within a motivated team
- Modern equipment and well-equipped production halls
- Numerous additional benefits: Fruit, company doctor, gym subsidy, ...
- Opportunities for development within a successful industrial company with a family-like corporate culture
- Canteen serving regional specialties

Does this job appeal to you? Then apply now – we look forward to getting to know you!

A gross salary of 3,000 euros is offered for this full-time position. We are happy to offer a higher salary depending on your professional experience and qualifications.
