As a **logistics specialist** , your work centres on goods, warehouses and ensuring smooth operations. Your tasks will include, for example, receiving incoming goods, checking them and storing them correctly. You'll ensure that materials and products are available on time.

An overview of your training content:

- Receiving, checking and storing goods correctly
- Working in the warehouse and in logistics to ensure everything is in the right place at the right time
- Working with IT and warehouse management systems
- Preparing goods for dispatch and transport
- Keeping track of stock levels and working with the team

Right from the start, you'll gain practical insight and learn, step by step, to take on responsibility.

Your strengths:

- Organisational skills and attention to detail
- Interest in logistics processes / holistic thinking
- Flexibility
- Teamwork

What you can expect:

- An interesting working environment within a motivated team
- Modern work equipment and laundered workwear
- Numerous additional benefits (canteen, fruit, medical cover, gym subsidy, ...)
- Opportunities for development in an industrial company with all the benefits of a family-run business
- Convenient travel by public transport, including a travel pass
- Team activities and workshops
- Support with your studies
- Option of an apprenticeship with the Matura

Duration of the apprenticeship: 3 years

The apprentice's salary (gross per month) in accordance with the collective agreement for the metalworking industry is:
1st Apprenticeship year: EUR 1,093.49
2nd apprenticeship year: EUR 1,322.60
3rd Apprenticeship year: EUR 1,692.31

Good performance at vocational college and in the final apprenticeship examination pays off with us and is rewarded accordingly.

Does this apprenticeship appeal to you? Then apply now with your most recent school report, a CV and a covering letter (Why are you applying for this apprenticeship at Gföllner?). We look forward to getting to know you!
