As a **metal technician specialising in steel or vehicle construction**, your work centres on metals, machinery and tools. Your tasks will include processing metals and using them to design and manufacture components and products.

An overview of your training content:

- Metalworking – sawing, drilling, turning, milling and welding
- Manufacturing and assembling components for machinery and plant
- Working with modern machinery and plant
- Reading technical drawings and putting them into practice
- Working safely in accordance with quality and safety regulations

Right from the start, you'll gain practical insight and learn, step by step, to take on responsibility.

Your strengths:

- Manual dexterity
- Good spatial awareness
- Ability to work as part of a team

What you can expect:

- An interesting working environment within a motivated team
- Modern work equipment and laundered workwear
- Numerous additional benefits (canteen, fruit, medical cover, gym subsidy, ...)
- Opportunities for development in an industrial company with all the benefits of a family business
- Convenient public transport access, including a travel pass
- Team activities and workshops
- Support with your studies
- Option of an apprenticeship whilst studying for the Matura

Duration of the apprenticeship: 3.5 years

The Steel Construction Technology module is also available as a dual apprenticeship combined with the Welding Technology module (duration: 4 years).

The apprentice's salary (gross per month) in accordance with the collective agreement for the metalworking industry is:

1st Apprenticeship year: EUR 1,071.00

2nd apprenticeship year: EUR 1,295.40

3rd apprenticeship year: EUR 1,657.50

4th Apprenticeship year: EUR 2,152.20

Good performance at vocational school and in the final apprenticeship examination pays off with us and is rewarded accordingly.

Does this apprenticeship appeal to you? Then apply now with your most recent school report, a CV and a covering letter (Why are you applying for this apprenticeship at Gföllner?). We look forward to getting to know you!
