## **VIEW JOB ONLINE**

As part of a major international project, a new logistics centre is being built in Reichersberg to supply our assembly site in the USA and other international customers. During this set-up phase, you'll have the opportunity to play an active role in shaping processes and take on responsibility right from the start. The site plays a central role throughout the entire supply chain: from goods receipt through to storage, order picking and dispatch preparation, you will work with the team to ensure a smooth flow of materials. The final assembly of the technical containers then takes place at the US site.

#### **Your responsibilities:**

- Packing finished goods for international sea transport and preparing them securely for dispatch
- Safely positioning and loading large and heavy components using forklift trucks
- Fastening and securing components on pallets or transport racks by bolting, lashing and other suitable securing measures
- Developing and implementing bespoke packaging solutions
- Handling tools such as chainsaws, cordless screwdrivers and other hand tools
- Ensuring order, cleanliness and health and safety in the warehouse area

#### **Your profile:**

- A basic understanding of logistics processes
- Experience in packaging, ideally in maritime packaging
- Valid forklift licence
- Physical stamina, reliability and a meticulous approach to work
- Manual dexterity and a basic understanding of technical matters
- An independent and solution-oriented approach to work
- Good written and spoken German

#### **What you can expect:**

- The opportunity (following a training period of several weeks in St. Georgen near Grieskirchen and at our current external site in the Kirchdorf/Krems) to play an active role in shaping the Reichersberg site, to contribute your own ideas and to jointly develop processes
- A variety of projects within a motivated team
- Modern equipment and well-equipped production halls
- Canteen serving regional specialities
- Numerous additional benefits: Fruit, company doctor, gym subsidy, ...
- Opportunities for development within a successful industrial company with a family-like corporate culture

Does this job appeal to you? Then apply now – we look forward to getting to know you!
