Think strategically. Technical understanding. Achieving success together.

Do you have several years' experience in technical procurement, enjoy negotiating and know what matters when working with suppliers? Are developing and implementing product group strategies among your strengths? Do you possess technical expertise and enjoy leading and developing a team? Then we look forward to getting to know you!

Your responsibilities:

- Leading and developing the strategic procurement team, comprising 7 staff members, as well as optimising procurement processes
- Developing and implementing sustainable purchasing and procurement strategies
- Strategic supplier management, including the selection, evaluation and development of existing and new suppliers
- Empowering and developing the team to to conduct price, contract and terms negotiations independently and successfully
- Close collaboration with design, production and project management to ensure an optimal supply of materials
- Identifying and implementing cost optimisation and savings potential whilst taking quality and delivery performance into account

Your profile:

- Completed technical or commercial education (HTL, FH, university)
- Several years' professional experience in strategic procurement, ideally within a manufacturing company in the mechanical engineering or steel construction sector
- Management experience as well as strong communication and teamwork skills
- A proven track record of success in developing and implementing product group strategies
- In-depth technical understanding of materials, components and manufacturing processes
- Negotiation skills, assertiveness and an entrepreneurial mindset
- A structured, independent approach to work, as well as good knowledge of ERP, MS Office and English

What you can expect:

- Varied projects within a motivated team
- Modern equipment and well-equipped offices
- Canteen serving regional specialities
- Numerous additional benefits: Fruit, company doctor, gym subsidy, ...
- Opportunities for development in a successful industrial company with a family-like corporate culture

Does this job appeal to you? Then apply now – we look forward to getting to know you!
