For our **internationally active manufacturing company** with around **1,100 employees**, we are seeking an experienced and committed leader who will actively shape our IT landscape, drive forward modern technologies and establish the highest standards in information security.

In this high-responsibility role, you will lead an **IT team of around 12 staff members** and be responsible for our company's entire IT landscape, including the international production sites in **the Czech Republic and the USA**.

Your responsibilities:

- Responsibility for the stable, secure and efficient IT operations of the entire group of companies
- Technical and managerial leadership and development of the IT team at the Stritzing site, comprising around 12 staff members
- Strategic development of the IT infrastructure and IT architecture, as well as the entire IT system landscape
- Defining the strategic use of external service providers and technology partners
- Evaluating and implementing new technologies to support the company's growth
- Budget planning and strategic management of the IT department

Your profile:

- A degree (from a university of applied sciences or a university) in Computer Science, Business Informatics or a comparable qualification
- Several years' professional experience as an IT Manager in an international manufacturing company of a comparable size
- In-depth knowledge of IT infrastructure and IT service management
- Strong leadership, communication and organisational skills, as well as a solution-oriented approach to work
- Strong technical problem-solving skills and strategic thinking
- Very good written and spoken German and English

What you can expect:

- A variety of projects within a motivated team
- Modern equipment and well-equipped offices and production halls
- Numerous additional benefits: Fruit, company doctor, gym subsidy, ...
- Opportunities for professional development within a successful industrial company with a family-like corporate culture
- Canteen serving regional specialities
- The opportunity to play an active role in shaping the company's future

Does this job appeal to you? Then apply now – we look forward to getting to know you!
