Your tasks:

- Production programme planning (rough planning) in coordination with the operational divisions
- Operative planning and control of customer/production orders in the ERP system
- Central contact person for deadlines along the value chain
- Preparation and coordination of data for planning meetings (capacity forecast, bottlenecks, ...)
- Maintenance, design and further development of planning-relevant data in the ERP system
- Collaboration in the design/optimisation of planning and control processes and systems

Your profile:

- Successfully completed technical training such as e.g. HTL/FH (industrial engineering, operation management/SCM) or equivalent previous knowledge
- Professional experience in production planning or Understanding of processes in a production company
- Strong affinity for data and excellent analytical skills
- Communication skills, ability to work in a team, assertiveness and a confident manner
- Confident handling of ERP systems, very good MS Office skills (Excel)
- Very good knowledge of German and good written and spoken English

You can expect:

- An interesting working environment in a motivated team
- State-of-the-art work equipment
- Numerous special benefits (fruit, doctor, gym allowance, ...)
- Development opportunities in an industrial company with all the advantages of a family business
- Canteen with regional delicacies
- The opportunity to actively shape the future of the company

For this position, a gross salary from 3.300,- Euro is planned. We are happy to overpay depending on your professional experience and qualifications.
